COMPANY OVERVIEW

JJG Consulting & Management LLC is a veteran-led, woman-owned and Native American-owned small business specializing in government procurement, product sourcing, wholesale distribution and supply coordination. JJG Consulting & Management supports federal, state, local and tribal purchasing requirements through specification-based sourcing, NSN and manufacturer part number identification, competitive bulk quotations and coordinated order fulfillment.

PRODUCT CATEGORIES

- Emergency preparedness and disaster response
- Survival and shelter supplies
- Medical and first-aid supplies
- Safety equipment and PPE
- Janitorial and sanitation products
- Restroom and hygiene consumables
- Office and school supplies
- Ink, toner and technology supplies
- Industrial and facility maintenance supplies
- Electrical and lighting supplies
- Uniforms and protective apparel
- Packaging and shipping supplies

CORE COMPETENCIES

01 SPECIFICATION-BASED SOURCING

- NSN and manufacturer part number sourcing
- Specification and compliance review
- Equivalent product identification where permitted

02 QUOTATION & BULK PRICING

- RFQ and bulk quotation support
- Supplier price and lead-time comparison
- Quantity and delivery confirmation

03 SUPPLIER COORDINATION

- Manufacturer and distributor coordination
- Supplier vetting and documentation
- Drop-ship and direct delivery coordination

04 ORDER FULFILLMENT COORDINATION

- Order administration and tracking
- Packaging, labeling and shipment coordination
- Delivery confirmation and invoicing

Supplier coordination, direct delivery and subcontracted services are provided subject to supplier availability and individual contract requirements.

COMPANY COMMERCIAL EXPERIENCE

Event procurement and vendor purchasing (branded apparel, credentials, event supplies), multistate event logistics and vendor coordination.

FOUNDER MILITARY & FEDERAL CIVILIAN EXPERIENCE

- U.S. Navy: 21+ years; retired Chief Petty Officer
- Acquisition support: requirements and acquisition coordination for multimillion-dollar technology toolset initiatives
- Operations: supported 900+ active-duty and 300+ Reserve Sailors in global personnel administration

Founder experience was gained in U.S. Navy and DIA service and is distinct from the company's contract past performance.

DIFFERENTIATORS

- Specification-driven sourcing and product identification
- Flexible manufacturer and wholesale distributor sourcing model
- Competitive bulk quotation and procurement support
- Single point of accountability from quotation through delivery
- Multiple socioeconomic contracting and supplier diversity pathways; Native American-owned
