COMPANY OVERVIEW

JJG Consulting & Management LLC is a veteran-led, woman-owned and Native American-owned small business with two core divisions: professional services (management consulting, organizational assessment, training, administrative and program support, and subcontracted facility services) and government procurement and wholesale distribution (specification-based sourcing, bulk quotations and coordinated order fulfillment).

CORE COMPETENCIES

01 MANAGEMENT CONSULTING & ORGANIZATIONAL ASSESSMENT

- Program and organizational assessments
- Survey administration and data analysis
- Policy and process development
- Executive briefings and recommendations

02 ADMINISTRATIVE SUPPORT, TRAINING & PROGRAM MANAGEMENT

- Program and project management
- Administrative and back-office support
- Curriculum design and instructor-led training
- Conference and event coordination

03 GOVERNMENT PROCUREMENT & WHOLESALE DISTRIBUTION

- Emergency preparedness and medical supplies
- Janitorial and office supplies
- Safety equipment and industrial products
- NSN and specification-based sourcing, bulk quotations and order fulfillment

04 FACILITY SERVICES & OPERATIONAL SUPPORT

- Janitorial and custodial services performed by qualified subcontractors
- Scope, scheduling and quality oversight by JJG Consulting & Management
- Facility supply replenishment
- Operational and logistics support

Supplier coordination, direct delivery and subcontracted services are provided subject to supplier availability and individual contract requirements.

COMPANY COMMERCIAL EXPERIENCE

Full-service athletic training clinics in the Washington, D.C. region, pre-event management for clinics in several states (registration, vendor purchasing, on-site operations), and a multi-month virtual professional development program.

FOUNDER MILITARY & FEDERAL CIVILIAN EXPERIENCE

- U.S. Navy: 21+ years; retired Chief Petty Officer
- DIA: GS-13 Senior HUMINT Tradecraft Instructor; trained or certified 350+ DoD and IC personnel
- Instructional design: curriculum and course redesign for certification training
- Organizational assessment: administered DEOCS across 132 units in 32+ countries; reporting to DEOMI

Founder experience was gained in U.S. Navy and DIA service and is distinct from the company's contract past performance.

DIFFERENTIATORS

- Native American-owned, veteran-led and woman-owned small business
- Certified and eligible across SBA, Maryland and Buy Indian Act programs, supporting supplier diversity and small-business contracting
- One point of accountability across services and supply, with founder oversight of every engagement
